

WELCOME TO THE BERKLEY SURROUND CARE PROGRAM

PROGRAM DESCRIPTION: Surround Care is an on-site before school, after school, school vacations and summer child care program located at the Berkley Community School and the Berkley Middle School. We are pleased to offer high quality child care services to the children of working parents in our community. Surround Care provides a structured but informal learning environment which includes a variety of activities that are designed to be interesting, age appropriate and fun. Some of the activities include arts/crafts, computer time, free choice, group games, enrichment activities, outdoor play, cooking, gym time and homework time. Our purpose is to provide a warm, supervised, enriched environment with activities that are self-directed and adult-directed in an environment that is safe, supportive, and fun for all our students. Surround Care is a quality child care program that is financially self-supporting through childcare fees. Children in grades preschool through grade eight are eligible to enroll (ages 3-14). The program provides before school childcare starting at 6:45AM and after school childcare starting at the time of dismissal until 6:00PM Monday through Friday. The program is not open on state/federal holidays or on staff professional days. Surround Care is also available for an additional cost on early release days, during school vacation weeks and in the summer from 6:45AM-6:00PM.
